

IMMERSIVE LABS' SUB- PROCESSORS

Version 05.22

In providing our platform and services, we and our group companies may use sub-processors to provide specific functions and services such as hosting or customer support. We've set out details of who these sub-processors are and the role that they play below. Not all of them will be relevant to the way that you access our platform or to the services that you receive from us. If you have any concerns, please contact our legal team at legal@immersivelabs.com.
